

At Tri-County Electric Cooperative, our first mission is to provide you with safe and reliable electricity at the lowest practical cost.

While keeping the lights on is our top priority, taking care of our members and delivering excellent member service is a close second.

That's why we offer you many convenient ways to pay your bill. In this brochure you'll learn about the various services we offer to make paying your bill as simple and painless as possible.

In addition to all of the options we offer directly to our members, many banks and credit unions offer online banking and other bill payment services. Be sure to check out all of your options to find the solution that best fits your budget and lifestyle.

BILL PAYMENT:

**We Can't Make It Fun, But
We Can Make It Simple**

The Power of Community

Account Online (e-Bill)

The account online (e-Bill) system is a secure, Web-based application that allows members to view their account online and make payments via check or credit card. Members can also review account history information through e-Bill, including data on outages and service requests. Even if you prefer to pay your bill another way, we encourage you to sign up and use the site to help manage your account. Enroll online at www.tri-countyelectric.coop.

Electronic Funds Transfer

Members can choose to have their balance due automatically deducted from their bank account, credit card or debit card on a monthly basis. Enroll online at www.tri-countyelectric.coop or call our member service department for more information.

Online
BillPay

- :: Access My Account
- :: Payment Options

- :: Sign Up for BillPay

Payment Centers

Self-service kiosks are located at convenience stores, grocery stores, and other businesses across our service territory. Payment centers accept cash and checks. Payments will post to your Tri-County Electric account within 15 minutes, day or night. Visit our Web site or call our member service department for an up-to-date list of payment center locations.

Levelized Monthly Payment Plan

Don't like surprises in your monthly bill? Enroll in the LMP Plan, and we will calculate an average payment to keep your bills more predictable throughout the year.

For new members, your average payment will be calculated based on an estimate of the typical energy consumption for similar households or businesses. After 12 months, the payment will be based on your historical usage. For existing members with at least one year of billing history, your payment will be calculated based on the rolling average of your electricity usage over the previous 12 months.

Enroll online at www.tri-countyelectric.coop or call our member service department for more information.

Pay-by-Phone

Call us toll-free at 800-522-3315 24 hours a day, seven days a week to pay by check or credit card.

Pay-in-Person

In the neighborhood? We'd love for you to stop by our office at 302 East Glaydas in Hooker to say hello. You can pay your bill during regular business hours in our lobby or anytime at our payment kiosk.
