

ELECTRIFYING STUDENT OF THE MONTH

October 2009

TANNER BLOSSER

is The Power of Community

Tanner Blosser is Tri-County Electric's Electrifying Student of the month for October 2009. Tanner was selected for demonstrating the Touchstone Energy values of accountability, integrity, innovation and commitment to community. Tanner was presented with a framed certificate and \$100 gift card on Oct. 1.

"Tanner is an excellent role model for other students and is committed to being a leader," said Braden Naylor, principal of Balko Public Schools, in his nomination of Blosser. "Tanner is never satisfied with mediocrity and always strives to be the best in whatever he does. He also looks for the good in those around him and encourages them to be the best they can be."

Tanner is a senior at Balko High School where he is president of the FFA, co-president of Student Council, senior class vice president, plays football, basketball and president of the National Honor Society. Within the community, Tanner is active in Balko Baptist Church. His leadership skills have granted him the opportunity to represent his community in Europe and he has also attended the Washington Leadership Conference on behalf of the Balko FFA.

After high school, Tanner plans to attend Oklahoma State University to study pre-law. He would like to work for a franchise sports team as a contract negotiator.

Eddy and Lauri Blosser of Balko are Tanner's parents. Anyone can nominate an Electrifying Student of the Month. Visit www.tri-countyelectric.coop today.
