

ELECTRIFYING STUDENT OF THE MONTH

November 2009

JACI MCGILL

is *The Power of Community*

Jaci McGill is Tri-County Electric's Electrifying Student of the Month for November 2009. Jaci was selected for demonstrating the Touchstone Energy core values of accountability, integrity and commitment to community. Jaci was presented with a framed certificate and \$100 gift card on Nov. 5.

"Jaci is committed to the youth of the Forgan community," stated Todd Kerr, principal of Forgan Public Schools in his nomination of Jaci. "Jaci has a servant's heart and a compassionate willingness to help all."

Jaci receives her motivation in life from her relationship with God and from positive support from her family.

Jaci is a senior at Forgan High School where she has been active in softball, basketball and cheerleading. She has been the president of the National Honor Society, president of the high school class and is on the superintendent's honor roll. She is also active in her community working at the nursery at Forgan Baptist Church where she also is part of the youth group and has completed mission trips.

After high school she plans to study elementary education. She is unsure of her college of choice but is considering the University of Oklahoma or Southwestern Oklahoma State University.

Jim and Debbie McGill of Forgan are Jaci's parents. Anyone can nominate an Electrifying Student of the Month. Visit www.tri-countyelectric.coop today.
