

ELECTRIFYING STUDENT OF THE MONTH

March 2010

KANON WHITE

is *The Power of Community*

Kanon White is Tri-County Electric's Electrifying Student of the Month for March 2010. Kanon was selected for demonstrating the Touchstone Energy values of accountability, integrity, innovation and commitment to community. Kanon was presented with a framed certificate and \$100 gift card on March 2.

Kanon is a senior at Boise City High School and is involved the gifted and talented program, Fellowship of Christian Athletes, booster club, pep club, student council, National Honor Society along with numerous sports. With student council, Kanon has helped collect food for the Ministerial Alliance of Boise City to help support those in need. Kanon was a delegate of the Oklahoma Association of Student Councils where she learned leadership skills.

Kanon has participated in the city-wide clean up and assisted with History Day at the Cimarron County Museum demonstrating the pride she has in her community. Kanon is an active member of the First Baptist Church of Boise City youth group.

"Kanon is a self motivated young lady with a heart able to help make a difference with her compassion," remarked Kelly Pike in her nomination of Kanon. "She is motivated by her gift of love for others and her willingness to help those in need."

After high school, Kanon plans to attend Northwestern Oklahoma State University in Alva, where she will major in mathematics and physical education. Kanon would like to be a basketball coach and math teacher and cites her mother as her inspiration.

Troy and Mendi White of Boise City are Kanon's parents.
